

# Deb® Ultra WASH

Specialist powerful, hand cleaner to remove paints, inks, resins, adhesives and most other print and printshop contaminants

**Usage:** Apply at the end of each work period, or more frequently if required, to remove alkyd and acrylic based paints, resins, adhesives, lacquers, sealants, varnishes, most inks and dyes and most other print and paintshop soilings.

**Usage:** Apply to dry hands. Rub in well and rinse thoroughly with clean running water. Wipe dry with disposable paper hand towels.

## Features & Benefits

**Hi-tech Formula** - uses 100% active ingredients in a clay-thickened matrix for high level, specialist cleaning performance.

**Deep-Down Clean** - Non-abrasive cornmeal scrub gives a deep-down clean without damaging the skin.

**Pleasant to Use** - Fruity fragrance leaves the skin smelling fresh after use.

**Skin Friendly** - Trans-Epidermal Water Loss (TEWL) results show no negative impact on the barrier function of the skin during regular, daily use.

**Moisturizes** - Contains a high level of Glycerine, a highly effective humectant, that moisturizes the skin to help prevent dryness.

**Effective** - Based on Dibasic Ester, a proven, highly effective cleaning agent.

**Non-Irritant** - Dermatologically tested using the industry recognized '48hr human patch testing for primary skin irritation' method.

**Biodegradable** - Conforms to international standards on biodegradability.
