

TECHNICAL DATA SHEET

Lavo 12

Product description

Liquid bleach

Disinfectant for hard non-porous hard surfaces

- Use:
 - ✓ Institutional
 - ✓ Swimming pools
 - ✓ Industrial
 - ✓ Food processing plants
 - ✓ Industrial recirculating cooling water systems
 - ✓ Municipal water treatment of sewage and industrial effluent
 - ✓ Disinfectant and sanitization
- NSF :
 - ✓ Certified NSF/ANSI
 - ✓ Standard 60 - Drinking Water Treatment Chemical
 - ✓ Maximum dosing 97 mg/L
- Disinfectant : DIN # 02246212
- PCP : 12419

Technical specifications

UPC code

3.6 L :0 6904510253 7

Format

3.6 L

Appearance

Clear liquid

Color

Greenish-yellow

Odor

Chlorine

% Trade, Sodium hypochlorite

12.6 % w/v* min. when bottled

Free alkali content

0.64 – 1 % w/v* (NaOH)

Density

1.174 g/mL @ 20°C

Shelf life

12 months

*W/V = weight/volume

Note
