# OPTIMA QT SERIES

High Performance  
Propane Burnishers

**27" DUST CONTROL  
NOW AVAILABLE**

# OPTIMA QT SERIES

## 21", 24", and 27" Propane Burnishers

The **Optima QT Propane Burnisher** has been completely redesigned to provide the most efficient fuel delivery and lowest emissions possible.\* Now equipped with a **603cc V-Twin Kawasaki engine and a newly engineered fuel system**, the Optima QT has more power while minimizing fuel consumption. The patented propane carburetor delivers the most efficient fuel mixture for a **cooler running engine and cleaner emissions**. Every Optima QT is equipped with a catalytic muffler, low oil shutdown feature, 12V battery start, flexible pad driver, and UL listed OPD propane tank. The Optima QT is available in 21", 24", and 27" widths to meet the needs of any facility or contractor.

### STANDARD FEATURES

- 20% lower emissions with NEW air flow integrated fuel system and redesigned catalytic muffler.
- Extended engine life and more efficient fuel consumption with the NEW patented carburetor and Optima fuel system.
- Consistent and dependable starting with NEW 50% more powerful starter.
- OPD propane tank standard on all models.
- Digital hour meter to measure productivity and simplify scheduled maintenance.
- Ergonomic adjustable handle for maximum comfort and reduced operator fatigue.

### OPTIONAL FEATURES

- Centrifugal Clutch.
- Emissions monitoring and shutdown system.
- Dust Control 27" Model.
