Specifications:

Site Location: The Frost free standing series of waste containers can be used in almost any application. The medium and small units fit under most counter tops. The all metal construction is ideally suited to fire protection and rugged use.

Features: Rounded soft edge design. All welded construction of 22 gauge cold rolled steel. Optional light weight 26 gauge galvanized steel liner provides extra fire protection. All units come with standard bag holder apparatus. Finished in hybrid epoxy polyester powder paint and black vinyl trim. Recessed feet elevate the unit to provide a neat appearance with minimal maintenance. Packaged in corrugated cartons.
