	GV Etna 4000
Code	8.451.0101
Max steam pressure/temperature	7 bar / 166° C
Boiler absorbed power	3 kW / 230V ~ 50Hz (Ph 1)
Vacuum motor absorbed power	1100 W
Column depression/Air flow	20.39 kPa / 220 m³/h
Water tank/detergent tank capacity	5 l / 5 l
