

SYMPPLICITY™ BUILT DETERGENT ULTRA 225

Alkaline Boosted Detergent

Ultra-Concentrated blend of alkaline stable anionic and nonionic surfactants, soil suspending antiredeposition agents, water conditioners and optical brighteners in an alkaline base. The enhanced nonphosphate formula eliminates the need for a break or builder for most laundry applications and is effective over a broad range of temperatures and water conditions. Symplicity Built Detergent Ultra 225 is compatible with the complete Betco laundry product line. Recommended use for all fabrics except wool and silk
