

# SYMPPLICITY™ EMULSIFIER 240

## Directions for Use

## Tech Specs

Color	Orange
Detergency	Excellent
Foaming	Moderate
Fragrance	Citrus

## Emulsifying Detergent

Concentrated blend of detergent and naturally occurring solvents formulated to emulsify organic grease oil and food soils on restaurant linen, uniforms and polyester material. Can be used as a prespotter, presoak, or added to the normal wash cycle. Emulsifier 240 is effective in low wash temperatures, and safe to use on colored linen.

## Features

Effective Cleaning – for table linens and polyesters  
Contains natural solvents – will not harm environment or linen  
Low temperature detergent – effective in both warm and hot water  
SureConnect – No Contact, No spills, enhances safety and more  
Liquid Concentrated – Economical, Saves money
